TODAY I:

I FEEL:

WHO IS SOMEONE YOU CAN RELY ON AT HOME? AT SCHOOL? OTHER PLACES?

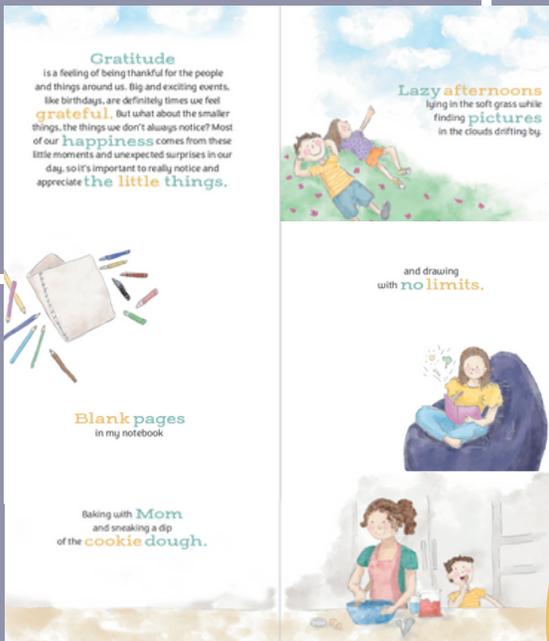

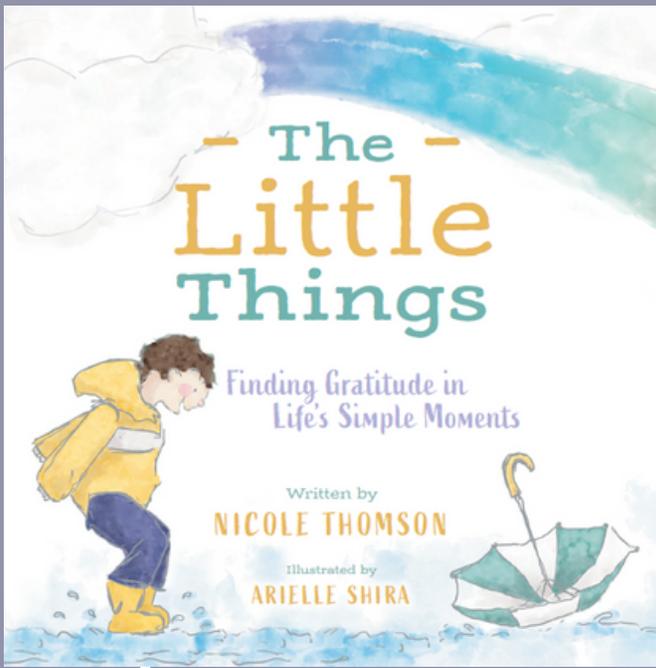

"This should be a part of school curriculum...or at least come included with parenting manuals!"
- Amazon customer

Children's Book

The Little Things: Finding Gratitude in Life's Simple Moments

Parents and teachers understand the importance gratitude plays in our overall mental health. Now, they have a tool to teach children, at an early age, how they can be intentional about finding all kinds of things to be grateful for in their own lives.

Nicole Thomson is a coordinator and professor at Confederation College. She has over a decade of experience in the elementary classroom where she was involved in action research projects in Math and Literacy. She has five years experience developing and implementing PD sessions for teachers.

She created The Fulfilled Classroom because she saw a need to bring more joy and fulfillment to teachers, students, and homes. She creates resources to help teach our children the importance of gratitude, growth mindset, and mindfulness.
